

Dance-Along Nutcracker® 2023 Sponsorship Opportunities

Individual patrons help ensure that the San Francisco Lesbian/Gay Freedom Band can continue to build bridges through the universal language of music, expand our programs to larger audiences, continue to provide our members with strong musical development, and enable us to represent San Francisco and the Bay Area as our community's "Ambassadors of Joy!"

The success of our message of visibility, inclusivity, and love is only possible with the generosity of individuals, corporations, and foundations like you.
